RALLY ROUND THE FLAG.

Oh, the Southern flag is floating, boys.
Around the brave and true,
Shout! shout! the joyous note of freedom.
Come join in the chorus, boys,
And we will help you too,
Shout! shout! the joyous note of freedom.

CHORUS.

We will live and die with Davis,
And by the eleven stars;
Down with the yankees,
And up with the Bars;
For old Lincoln with his hireling crew
Can never whip the south.
Shout! shout! the joyous note of freedom.

Jeff Davis is our President,
And Robert Lee our pride,
Shout! shout! the joyous note of freedom.
In Beauregard and Jackson
We ever will confide.
Shout! shout! the joyous note of freedom.
Chorus—We will live and die with Davis, &c.

We put them through at Bethel,
And the battle of Bull Run;
Shout! shout! the joyous note of freedom.
The Cabinet at Washington
Went out to see the fun.
Shout! shout! the joyous note of freedom.
Chorus—We will live and die with Davis &c.

We drove them back at Fredericksburg,
The tyrant's vandal crew,
Shout! shout! the joyous note of freedom,
And should they try at other points,
We will drive them back there too,
Shout! shout! the joyous note of freedom.
Chorus—We will live and die with Davis, &c.

In God, my boys, we've put our trust,
For He aids the righteous cause
Shout! shout! the joyous note of freedom.
We must prevail, for it is just,
And rules with righteous laws.
Shout! shout! the joyous note of freedom.
Chorus—We will live and die with Davis, &c.

[illegible] three loud cheers
[illegible]
Shout! shout! the joyous note of freedom.
[illegible] Southern Independence,
Which may we live to see,
Shout! shout! the joyous note of freedom.
Chorus—We will live and die with Davis, &c.
